

LIGHT ON THE LAND

PRIMARY GUIDELINES FOR STOCK USE ON TRAILS

Plan Your Trip

Thoughtful preparation will provide the means to ensure safety and enhance the experience while minimizing the impact on natural and cultural resources.

Use Trails Responsibly

Responsible use of trails will allow travel through areas without detriment to resources, maintain consideration for others, and increase the overall experience.

Minimize Camp Impacts

Minimizing camping impacts are challenging and careful consideration is required to multiple components.

Minimize Wildlife Impacts

Minimizing wildlife impacts makes your trip safer and reduces environmental impact.

Preserve the Integrity of Wilderness, Front Country, and Backcountry
